**(Istanbul, 11 March 2016)**

A student group composed of 43 undergraduate students headed by academics, from the Faculty of Economic and Political Sciences of the Aristotle University of Thessaloniki in Greece, visited the BSEC Headquarters in Istanbul, on 11 March 2016.

The students were greeted at the Headquarters by Ambassador Michael B. CHRISTIDES, Secretary General of the BSEC PERMIS, who underlined that students, especially from universities in the BSEC Member States, are always most welcome to the PERMIS Headquarters, because they offer the opportunity to inform the younger generation in the region about the objectives and activities of the Organization.

During their visit, the students were provided an overview of the history and activities of BSEC by Secretary General CHRISTIDES and the members of the Secretariat, followed by a question and answer session.
