Preservation of historical monuments in BSEC countries to be discussed in Yerevan

/PanARMENIAN.Net/ A number of cultural events will be launched in Yerevan on Mar. 4 within the framework of Armenia's chairmanship in Black Sea Economic Cooperation Organization. Round table discussions on preservation of historical monuments in BSEC will be organized by the Ministry of Culture.

The following BSEC member states will participate in the discussion: Bulgaria, Turkey, Armenia, Greece, Romania, Russia, Serbia and Georgia. From Mar 4-11 an exhibition and a screening of documental on preservation of historical monuments will be conducted in the National Gallery of Armenia. Armenia's National Esthetic center will host a "Cloudless sky above the Black Sea" exhibition featuring the drawings of children from BSEC member states.
